New York City.

Dear Mr. Mitchell

Just received your letter, asking  
the Eagles to travel with you in the vicinity  
of Buffalo the week of August 17th.

In looking over the schedule I find we  
are making so many long jumps away from home,  
that I believe we should stay around this way  
for that <sup>week</sup> particularly in view of the fact  
we have Thursday and Friday scheduled in Phila  
and Baltimore. We have already been West once  
with the Grays, going on another trip with them  
this week, then out West with Cincinnati and  
South with the Yankees from the 9th to the 16th,  
and may make another trip later in August. Then  
too, we are playing in Buffalo Sunday, July 19th.

We have Chicago here in Newark Sunday, the  
16th and you have Memphis in New York possibly  
one of these teams would go West with you.

We are going South this week with the Grays  
and I will let you know as soon as they return  
where we will book the week of August 8th with  
the Yanks. We are playing in Newport News,  
Norfolk and Portsmouth on this trip.

Very truly yours,
